About Citizens Advice Salford

The first Citizens Advice opened in Salford in September 1939, established in the aftermath of the first world war and provided, amongst other initiatives, a casework service for families in need.

Since then, we have continued to grow as a frontline service, finding innovative solutions to the advice needs of our community through free, confidential and independent advice and information services.

The aims of the Citizens Advice service are:

- To provide the advice people need for the problems they face
- To improve the policies and practices that affect people's lives

Citizens Advice Salford is a charity, dependent on a workforce of paid staff and over 80 trained volunteers. We operate over 4 permanent sites in Salford, Eccles and Walkden and outreach locations in the city, which we are continually reviewing to ensure we are reaching the people most in need of our services. We also provide advice via email and phone.

We are a member of [National Citizens Advice](#) which provides the extensive information system we use to advise clients and sets standards for advice, training, equal opportunities and accessibility in our offices.

We receive funding from Salford City Council and Salford Clinical Commissioning Group; which helps support our generalist advice service which gives advice on a wide range of subjects such as; benefits, work, debt & money, consumer, family, housing, law & courts, immigration and health. Citizens Advice Aims and Principles

Aims:

The Citizens Advice service provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities. It values diversity, promotes equality and challenges discrimination.

The service aims:

- To provide the advice people need for the problems they face,
- To improve the policies and practices that affect people's lives,

Principles:

Independence: The service provided by Local Citizens Advice Bureaux is completely independent. Local Citizens Advice are therefore able to offer impartial advice to all clients and to take up any issue with the appropriate authority on behalf of individuals or groups.

Impartiality: The service provided by Local Citizens Advice is impartial. It is open to everybody, irrespective of ability, age, gender, gender identity, race, religion or

belief, sexual orientation and social or economic status. Advice and help will be given on any subject without any preconceived attitude on the part of the bureau.

This guidance must be seen in the context of the service's other principles of free, independent and confidential advice, and its equality and diversity policies.

Appropriate action will be taken on behalf of the client regardless of how unpopular or unpalatable it may be with the community or the Local Citizens Advice itself. The provision of an impartial and objective service demands that bureau staff must recognise their own prejudices and take action to control their feelings when dealing with a particular client.

Political Impartiality: The Citizens Advice service requires that personal views do not impair the objectivity of the advice and assistance given, or restrict its availability or deter sections of the community from making use of the services of the Local Citizens Advice, or deter funding authorities from helping bureaux to achieve their aims.

As a voluntary movement the Local Citizens Advice service draws strength from the diversity of its members (trustees, volunteers or paid staff). Harnessing the differences into a creative force requires an impartial stance towards those differing ideologies which are held by both providers and consumers of the service.

Impartiality is basic to the furtherance of both the Citizens Advice service's aims.

Confidentiality: Citizens Advice offer confidentiality to enquirers. Nothing learned by a Local Citizens Advice from enquirers, including the fact of their visits, will be passed on to anyone outside the service without their express permission.

Free: Local Citizens Advice services are provided free to clients at the point of delivery. Each Local Citizens Advice and Citizens Advice nationally, is responsible for operating within the principles of the service and protecting the Citizens Advice brand. At the same time it is also recognised that we all need room for innovation without deterring people from seeking advice for fear of the cost.

Campaigning & Research: The two aims of the Local Citizens Advice service are equal. Local Citizens Advice are in a unique position to exercise an influence on social policy both locally and nationally. It would be irresponsible to fail to analyse or to pass on evidence of poverty, ignorance, injustice or inefficiency of administration which may be acquired in the furtherance of the social policy aim "to improve the policies and practices that affect people's lives".

Analysis of the workload is also vital to the efficient management of the service. It is the duty of the service to comment on policies which adversely affect its clients. Each issue must be handled in a non-party-political manner and requires sensitivity of approach.

Equality and Fairness in Recruitment

We are fully committed to stand up and speak up for those who face inequality and disadvantage. We want this to be reflected in the diversity of the people who work for us. To help us achieve this, we aim to make our recruitment process as fair as it can be. We also offer support to disabled candidates to make sure no one loses out on a role because of their condition.

We judge the application, not the person. The selection panel won't see your personal details. This makes sure each person's response is judged on its merits and not on their background.

Disclosure and Barring Service Checks (DBS)

All Citizens Advice Salford positions require the successful candidate to undergo a Standard DBS check.

Criminal Convictions

Having a criminal record will not necessarily bar you from working for Citizens Advice Salford and our policy is in place to make sure ex-offenders are treated fairly. However, our national policy is that we will not take on anyone with a conviction for a sexual offence against a child or vulnerable adult, regardless of when the offence took place.

Entitlement to work in the UK

A job offer will be subject to confirmation that you are permitted to work in the UK in accordance with the provisions of the Asylum and Immigration Act 1996. You will be asked to provide evidence of your entitlement to work in the UK if you are successful and an offer of employment is made.
